STANDS A CHANCE TO LOSE ITS SHARE

NODAWAY COUNTY NEEDS A DECIDED AWAKENING

SUPPORT IS ALSO NEEDED

Committee Needs Means To Make Fight For Our Share of the $60,000,000 Bond Issue.

A statement was issued today by the good roads committee of five who were selected at a county meeting held recently. The statement follows:

Many are inquiring "What is the Committee of Five appointed by the County Road Convention doing?" The Committee itself is inquiring what are the various Townships or the people of the various Townships going to do? Sympathy is one thing and support is another. The committee met again Saturday at the office of the County Farm Bureau and all members were present.

It is known that the cities of the State will be strongly represented at the State Capital, when the Legislature meets to consider the Sixty Million Road Bond Issue. A good big portion also of Rural Missouri is already organizing and training for the fight. Southern Missouri is coming up strong. It will send strong men to the State Capital and back them up with the needed finance. It is too much to expect that anyone can go to Jefferson City and stay during the Road Session of the Legislature, without means and altogether without pay for their time and effort. The Committee needs means and will have to have them either by appropriation of the various Township Boards of the County or by individual contributions through the Township Boards. It is easy to understand that Sixty Million Dollars is a sum of gigantic dimentions and worth fighting for. Who shall make the fight? For whom? These are the questions with which the Committee is grappling. Not only action is needed but quick action, in such a way that Committee may have the needed men and means. Suppose Nodaway County loses, what then? It is time for action. The means should be raised and that quickly. "No ammunition, no game" and as the Jap puts it "No can get, no can have."

HIGH SCHOOL WINS SONG LOVING CUP

MARYVILLE ALSO TAKES THIRD IN BOYS' ORATION.

RAVENWOOD WINS DEBATE

Defeats Barnard Team on Industrial Arbitration Question—The Results in All Classes.

First place in song at the final contests in the College Auditorium Saturday night went to Maryville High School's male quartet, composed of Floyd Foreman, Russell Allan, Carlos Yehle and Floyd Lunsford. They sang "Good Night" by J. A. Parks. Miss Jennie Denny was at the piano.

The mixed quartet of Albany High School won second place. The quartet was composed of Joe Williams, J. F. Patton, Mary Kerlin and Nellie Ruby, and they sang "On the Road to Mandalay." Maysville's girls' quartet, composed of Ethel Brant, Ephne Hill, Garnet Squires, and Dixie Dunham, with Mrs. A. D. Hewitt at the piano, was given third place. Their selection was very popular with the audience, many of whom thought it should have been placed second to the Maryville entry.

Maryville also took third in oratory on Gordon Roach's delivery of the "Bunker Hill Oration." First place in this contest was won by Fred R. Kenower of Breckenridge, who gave "Spartacus to the Gladiators." Jouett Shouse of Kingston was rated second by the judges. His oration was "The Conquerors."

John Wright of St. Joseph Benton, who also spoke "The Conqueror," was given fourth place. Vesper Shelby of Martinsville, speaking "Abraham Lincoln," was rated fifth, and John Browning, "America a World Power," was sixth.

In girls' declamation, Mildred Baxley of Martinsville consolidated school won first place. She gave "Red Riding Hood," a child's story by Riley. Ellen Donovan of Liberty won second place on "The Melting Pot." Mabel Ratel of Trenton was third with "How the LaRue Stakes were Lost," and Marion Willis of Hardin fifth on "The Heart of Old Hickory." Helen Hester of Mound City was eliminated by the judges because her selection was over time. She read "The Lost Word."

The following winners were announced in the essay contest:

First, Josephine Kelley, St. Joseph Benton, "Disarmament for Peace."

Second, Stella Gosney, Hardin, "Community Co-operation."

Third, Alice Wayman, Albany, "Undisciplined America."

Fourth, Katherine Stipe, Plattsburg, "America for Americans."

Fifth, Frances Dyer, Maysville, "Community Co-operation."

Sixth, Savannah, no name submitted.

The judges in oration and declamation were Miss Beatrix Winn, of the English department of the College, Miss Beulah Brunner, and Dr. Fred Keller.

Two of the judges in music were chosen from outside of Maryville. They were Miss Bernice Mitchell of St. Joseph, Miss Born of Savannah, and Mrs. C. Edwin Wells.

Prof. Harry A. Miller of the public speaking department of the College had charge of all the literary events held in connection with the track meet. His smooth running arrangements pleased the contestants and his genial announcements won the favor of the audience.

The Winners Friday Night.

Debate—Ravenwood high school.

Boys' Extemporaneous Speaking.

First—Covell Roberts, Maysville.

Second—Euclid Brenton, Savannah.

Third—A. D. Otto, Kingston.

WILSON WILL BREAK HIS SILENCE, BELIEF

The Former President is Slowly Improving in Health and Will Soon Discuss Some Affairs

Washington, May 9—Former President Wilson will soon break the silence which he has maintained since his departure from the White House and will enter into discussions of international affairs. This is the belief of persons closely connected with former administration expressed today and is based upon scrutiny of his activities since he became a private citizen. It is known Mr. Wilson is doing some writing, the nature of which he has not disclosed to even his most initimate friends. He is slowly improving in health. His improvement is not recorded so much in his appearance as in his voice. People who have recently talked with him say he would be perfectly capable of delivering a public address at this time.

PURE BRED BULLS AT BARGAIN PRICES

TOP PRICE AT BARNARD SALE SATURDAY WAS $97.50

BOUGHT FOR FEED LOTS

Only One or Two Will Replace Scrub Bulls and Count in Contest—Wool Meeting Tonight.

Pure bred bulls at bargain prices at the Barnard bull sale Saturday afternoon. The top price was $97.50, paid by Ralph Griffin of Guilford. One bull sold for $48 and several others for less than $50.

Joe Thompson of near Barnard bought two bulls at $47.50 and one at $43. C. C. Carr of Maryville bought one at $77.50 and one at $65. W. L. Leitel of Fillmore paid $75 for one bull and $65 for another. Buyers of single bulls were Ralph Griffin, $97.50; Walter Breit, Barnard $65; James Fraizer, Barnard, $75; O. H. Anderson, Guilford, $47; and McBride and Robinson, $46.

Only two of these bulls will replace grade bulls at the head of herds, according to County Agent Roy A. Kinnaird. The others will not count in the Better Bulls contest for the prize of $1,000 offered by the Kansas City Chamber of Commerce. Several counties are leading Nodaway in the contest on the face of the returns thus far, according to the county agent, but there are a number which he has not yet reported to the judges. He has reported fifteen grade bulls displaced on Nodaway county farms by pure breds.

The next bull sale will be held Saturday at Hopkins. The series will close with a sale at Gaynor, May 18.

Mr. Kinnaird will speak to the wool growers of Barnard and vicinity tonight and at Conception Junction Wednesday night. He will explain the Northwest Missouri wool pool for this year.

Assistant Cashier at San Pedro

Robert M. Cordell, son of T. S. Cordell, formerly county clerk of this county and a resident of Maryville, has been selected assistant cashier of the First National Bank of San Pedro, Cal. That bank has recently built a new home and on Saturday, April 30, open house was kept. The bank now has a capital of $200,000 and surplus and undivided profits of $110,000.

C. OF C. BANQUETS HIGH SCHOOL TEAMS

CELEBRATE SAT.'S VICTORY AT BAINUM HOTEL TONIGHT

WILL DISPLAY TROPHIES

Representatives of State Teacher's College and Others Will Make Snappy Talks

Members of Maryville high school's winning track, basketball, football and tennis teams and the school's successful contestants in the literary events in the college auditorium and at Mound City will be the guests of the Chamber of Commerce at its weekly banquet at the Bainum Hotel tonight. The faculty of the high school and representatives of the State Teachers College have also been invited.

The banquet will celebrate especially the first victory of the Maryville high school in the annual track and field meet Saturday, but it also includes a resume of the school's most successful season in all branches of activity. The fifteen members of the faculty have been invited, between twenty and thirty boy athletes and about ten girls, basketball and tennis teams and winners in declamation and the new contests in shorthand and typewriting.

On one long table in the banquet room will be displayed the loving cups and other trophies won by high school teams in the last five years. These include championships in baseball, football, basket-ball, track, tennis, song, debate and other phases of inter-high school activity.

Short, snappy talks will be made by L. C. Cook, president of the Maryville school board; Prof. L. E. Ziegler, superintendent of the city schools; H. O. Ezell, principal of the high school; President Ira Richardson of the State Teachers College; and W. A. Blagg, president of the Board of Regents.

Other guests from the college will be Prof. Harry A. Miller, who had charge of the literary events held in connection with the track meet, and Coach Robert Rice, who directed the athletic part of the program. R. P. Hosmer, president of the Chamber of Commerce will preside at the banquet.

Music will be furnished by the high school orchestra and the boys' quartet that won the loving cup in the music contest in the college auditorium Saturday night.

Saturday's victory was the crowning event of a remarkable series of successes on gridiron, court and platform as well as on the track. The year was opened with a foot ball team that was runner-up for the Northwest Missouri championship, losing only to Trenton's heavier eleven on a muddy field. High school football teams have lost but two games in three years.

Both boys' and girls' teams in basketball won the championship of this section of the state in tournaments played on the college court. In tennis, the girls won both singles and doubles championships on the college courts last Friday.

Maryville entries won first in oratory and song, second in both boys' and girls' extemporaneous speaking, second in essay and third in declamation in the sub-district contests at Mound City. The high school quartet repeated its victory at the final contests here Saturday night, and Gordon Roach won third place for the school in oratory. First place in typewriting also wen to Maryville.

The successes of the track season began when George Smith won the cup for greatest number of points scored by an individual at the Trenton meet. The team took a cup for finishing second at the Liberty track meet with only six men entered, and the relay team won another.

At the Tarkio meet, the green and black athletes brought back a wall shield for winning second place in the meet, and the relay team won another for finishing first in the mile relay and setting a new tri-state record of 3 minutes, 43 seconds. Beatrice, Neb., winner of first place in the meet, was able to take home but one shield.

HAITIANS ASK FOR U.S. WITHDRAWAL

MARINES CHARGED WITH COMMITTING "NUMBERLESS CRIMES

A MILITARY AUTOCRACY

Memorial Recounts "Record of Attrocities, Brutality, and Cruelty, Which Defies Description"

Washington, May 9.—Charging a long series of atrocities by American marines and the native gendarmerie in Haiti and demanding the withdrawal of the United States military forces from the republic, three Haitian delegates are in Washington to present a memorial to President Harding, the state department and congress.

The memorial was made public tonight. It reviews the five years' of military occupation of Haiti and declares that it is "the most terrible regime of military autocracy which has ever been carried on in the name of the great American democracy."

The naval investigation of conditions in the republic ordered by Secretary Daniels last year and conducted by a board under Rear Admiral Mayo is characterized as a "joke" and Rear Admiral Knapp is accused of having done "nothing at all" when he visited Haiti under orders from Secretary Daniels to make a personal inquiry.

"Water Cure" Mentioned.

"The Haitian people feel," says the memorial, "that if the naval court of inquiry has not fulfilled in Haiti the board mandate conferred upon it by Mr. Josephus Daniels, it is because it was faced with charges of such horrible nature that it thought best to pass them over in silence."

Among the acts charged against the American occupation of Haiti are:

Administration of the "water cure" and other tortures by American officers and marines and the commission of "numberless other crimes," of which two cases, with the names and dates, are given in the memorial.

Removal of $500,000 of Haitian government funds which American marines carried off "and took on board the gunboat Machias," and which were deposited in a New York bank to "force the Haitian government to accept control of the custom houses by systematically depriving it of financial resources."

Entrance by Brig. Gen. Smedley D. Butler on June 19, 1917, revolver in hand, followed by American officers armed with their revolvers, into the Haitian legislative chamber and dissolving by force the members of the Haitian government assembly.

Enforced Ratification?

Enforced ratification on June 12, 1918, of a new Haitian constitution, with the marines presiding at the ballot box and only ballots bearing the word "yes" being issued.

Exclusion from the naval board of inquiry of "all Haitians who had anything to say regarding the numerous cases of murder, brutality, rape, arson, etc., that is, of Haitians who wished

SIX STATE RECORDS FALL IN MEET AT COLUMBIA

Athletes From Bob Simpson's Home Town Carry Off First Honors —M. U. Trims Kansas Aggies

Columbia, Mo., May 9.—In spite of rainy weather the Eighteenth Annual Interscholastic Track and Field Meet held at the University of Missouri was a huge success. Six state records were broken.

Nearly 500 athletes, representing forty-two high schools, eagerly waited on Rollins Field for the contest to begin. The rain could not dampen their spirits.

The schools were divided into three divisions. High school having fewer than 350 students enrolled formed Division I. There were thirty schools entered in this division. Nine school, having more than 350 enrolled, formed Division II; Columbia, K. C. Central, K. C. Northeast, K. C. Manual Training, K. C. Westport, Kirksville, Moberly, Springfield and Webster Groves.

The military academies — Missouri, Wentworth and Kemper—comprised division III.

The results of the meet were as follows:

Division I.—Bosworth, 39 points; Monett, 21½ points; University City, 14 points; Carrollton, 9½ points; Marceline, 7 points; Brunswick, 6 points; Triplett, 6 points; Hale, 4 points; Booneville, Harrisonville, and Kirkwood, 2 points each; Slater, Wellsville and Marshall, 2 points each.

Division II.—Kansas C Central, 33½; K. C. Manual, 29; K. C. Westport, 26¼; Webster Groves, 13¼; K. C. North east, 10; Columbia, 8.

Division III. — Wentworth, 59½; Kemper, 46; Missouri, 14½.

The following now interscholastic records were made: Half mile run, 2:02.2, Moulder, K. C. Manual; 120-yard hurdles, 15.4, Wagy, Bosworth; quarter mile, 51.2, Weldon, Kemper; pole vault, 11 ft. 8¼ in, Tompkin, K. C. Manual; discus throw, 119 ft. 4 in. Norton, K. C. Manual; and 220 yard hurdles, 25.3, Wagy, Bosworth.

A new feature of the meet was the javelin throw, an open event, won by Hand of Wentworth, by a throw of 147 feet.

Columbia, May 9.—The Missouri University completely trimmed the Kansas Aggies in a dual meet this morning on Rollins Field. The final count was 79½ to 34½.

STATE UNIVERSITY WILL ASSIST RED CROSS

Columbia, May, 9.—Plans are under consideration for the co-operation of the University of Missouri with the American Red Cross in the training of rural social workers. Students of urban social work are already in the School of Social Economy in St. Louis. This territory is particularly in need of rural sociological work and the Red Cross is anxious to establish connection with the University of Missouri in order that this part of the country may derive the benefit of efficient rural leadership. Recent legislation has made the county seat the center of operations for the county much more than heretofore, and it is desired to place public nurses and to install training classes in all rural communities, as it is there that the largest field now lies.

The new courses will be entirely within the jurisdiction of the University, which will receive only such financial help from the Red Cross as is deemed necessary.

The Story of Our States

By JONATHAN BRACE

XXXVIII.—COLORADO

COLORADO is the most precious of our states, for in the mining of gold and silver it surpasses all other States, producing about one-third of the total output of the entire country. In fact, its real history starts in 1858, when gold was first discovered.

Prior to that time there had been but little settling in this region. Spanish explorers had traversed the country in the latter part of the Eighteenth century, and laid claim to it. As a part of the Louisiana Purchase it came into the possession of the United States in 1803. Officers of the United States army were sent out to explore this wilderness among whom were Lieutenant Pike in 1806, and it was after him that Pikes Peak was named. In 1819 Colonel Long made extensive explorations and he was followed in 1842 by Fremont, whose activities in the Mexican war brought him into much prominence. At the close of the Mexican war, Mexico ceded her rights to this territory to the United States, but it was considered a barren waste and unattractive for settlers.

Then in 1858 came the discovery of gold in the bed of Dry Creek, a few miles south of where Denver now stands. The following spring tens of thousands of men flocked into what was then called the Pikes Peak country. In 1859 Denver became a town of one thousand inhabitants, and by the next year had grown into a big city with newspapers, theaters, and a government mint.

In 1861 the Territory of Colorado was created and in 1876 Colorado was admitted as the thirty-eighth state of the Union. Its area is 103,948 square miles and its population entitles the state to six presidential electors.

The name is taken from the Colorado river, and is a Spanish adjective meaning "colored red."

Colorado is often called the Centennial State, as it was admitted to the Union just one hundred years after the Declaration of Independence.

HOMECOMING OF FORMER MISSOURIANS AT FAIR

Centennial Anniversary Will Be observed at That Same Time At State Fair at Sedalia

Sedalia, May 7.—The executive committee of the Missouri Centennial Commission yesterday elected E. G. Bylander, Secretary of the State Fair General Manager of the Centennial Exposition to be held here August 8-20 in conjunction with the annual State Fair.

Mr. Bylander will direct the united efforts of the Centennial Commission the State Fair Board and the Sedalia Chamber of Commerce in making the event a success. A big program is planned, including a stupendous pageant, in which 5,000 performers will take part, depicting Missouri history during the last century.

President Harding will visit the Exposition on August 10. Other features, in addition to the regular State Fair attractions will be a reunion of the descendants of Missouri governors and a home coming of former Missourians. The Seralia Chamber of Commerce has already formulated plans for taking care of the vast crowds, and every home in the city will be thrown open to visitors.

REDUCTION OF 20 PER CENT IN CHEVROLET PRICES.

Detroit, May 7.—The Chevrolet Motor Company announced yesterday a new scale of prices. A reduction of 21 1-3 per cent on its four-ninety model becomes effective Saturday.

Under the new price scale the Chevrolet touring car is reduced $175, the roadster $160, the sedan $180, coupe $170 and light delivery wagon $175.

This is the second price concession to be made by the Chevrolet Company. In February the company announced a plan whereby a rebate of $70 on each car would be made later in the season, provided sales reached a total of ninety thousand cars between January 1 and August 1 of this year.

Chevrolet is the first of the lower priced cars to make any reduction since last September, when the Ford cut precipitated a general downward revision of lists.

ZIEGLER'S TEAM WINS TRACK MEET

MARYVILLE CAPTURES CHAMPIONSHIP AND RELAY CUPS.

440-YD RECORD BROKEN

Davenport Lowers Mark to 54 2-5 Sec. Albany and New Hampton Win Cups.

The Winners.

Championship Cup, Class A.—Maryville.
Championship Cup, Class B—Albany.
Championship Cup, Class C—New Hampton.
Relay Cup, Class A—Marville.
Relay Cup, Class B—Albany.
Relay Cup, Class C—New Hampton.

From Track Meet Extra Saturday.

For the first time in twelve years of competition, Maryville high school this afternoon won the track and field meet of the Northwest Missouri High School Association. Donald Davenport, running on a track slippery with mud, lowered the old record in the 440-yard dash by 3-5ths of a second, and the high school half-mile relay team equaled the record of 1 minute, 38 4-5 seconds.

Only the inch of mud underfoot saved other records from being smashed by the speedy wearers of the green and black, and on a dry fast track athletes from other schools would also have bettered old marks.

George Smith, captain of the Maryville squad, was second in the 440-yard dash by virtue of winning his heat. Had he been pushed he would also have smashed the old time of 55 seconds, even on the muddy track.

Albany was an easy winner of the championship cup in Class B, and New Hampton in Class C, completely outdistanced all the other schools.

The relay teams were called to the mark just as the clock was striking six. Much credit for running the meet off in such good time in spite of weather handicaps is due Coach Robert Rice, in charge of the meet, and to the Rev. J. A. Cooper, who kept the field events moving on scheduled time.

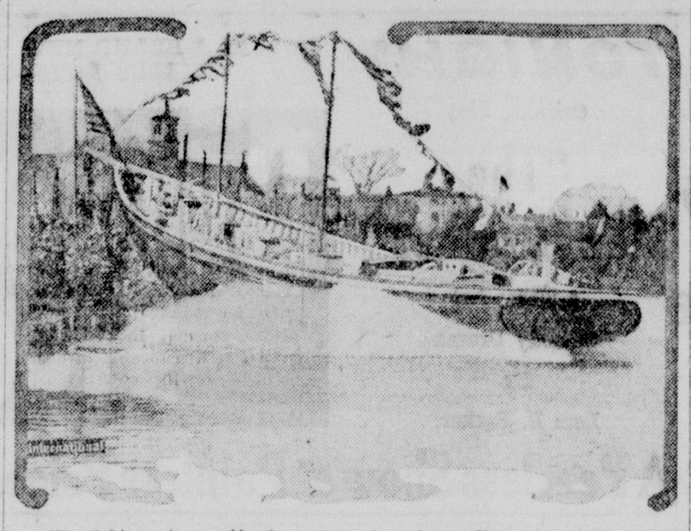
Built for Fishing Schooner Races



The fishing schooner Mayflower being launched at Essex, Mass. The craft, which will represent Boston in the international fishing schooner races this year is expected to lift the trophy won by the Gloucester schooner Esperanto last year. There has been quite a bit of controversy regarding the lines of the Mayflower, the craft being more like a yacht than a deep-sea fishing schooner.

SMITH-HUGHES AND SEWING CLASSES TO HOLD EXHIBIT

Public Is Invited To Inspect Work Of High School Students Tomorrow Afternoon

The Smith-Hughes, manual training and sewing classes of the High school will have an exhibit all afternoon tomorrow of the work completed during the year by the classes. Miss Katherine Carpenter and Miss Anna Bainum, who have charge of the work invite the citizens to attend the exhibit.

The manual training department has a varied display of furniture and a number of model houses. The advanced Smith-Hughes girls have made forms upon which they model their garments, and the beginning class will have an exhibit of the fundamentals in sewing. The sewing class will have a display of the garments made by its members, from simple house dresses to elaborate party frocks.

The best of the exhibits will be selected to be sent to the Missouri Centennial State Fair at Sedalia this fall.

DUBINSKY BROS. STOCK CO. OPENS WEEK'S STAY HERE

Big Waterproof Tent Erected on Kelly Lot This Morning—"The Stepbrother" Tonight.

Dubinsky Bros. Stock Co., under the personal management of Mr. Irwin Dubinsky, the youngest of the Dubinsky brothers, arrived last night, and workmen were busy early this morning erecting the big new waterproof tent on the Kelly lots on East Third street.

Mr. Irwin Dubinsky has for the past several seasons been associated with Dubinsky Bros. attractions in the southern states. This is his first visit to this territory and he states that the company he has brought with him is one of exceptional merit and by far the best that they have ever had here.

The opening play tonight is a new comedy drama entitled, "The Stepbrother." Vaudeville specialties will be offered between acts by the La Grande Sisters, Barlow & Lockwood and Williams & Pendexter. An added feature this season is the famous "Frisco Jazz" orchestra, which will give a thirty minute concert before the show each night. The doors open at 7:30 o'clock and the curtain rises at 8:20.

Blindness, in nearly 49 per cent of cases, occurs after the age of fourty-five.

HER HENS LAID 494 EGGS IN MARCH, 520 IN APRIL

Mrs. F. C. Ware, Arkoe, Says "Come On With Your Egg Records." —Has Plymouth Rocks

Mrs. F. C. Ware of Arkoe is the latest to enter her hens in the egg laying contest. In her letter to the Democrat-Forum Mrs. Ware says:

"I see in your paper of Friday that F. M. Miller reports for the month of March his hens laid 464 eggs. I believe I can show him I have twenty-six hens to be proud of. The hens are pure bred barred Plymouth Rock, and laid 494 eggs in March and 520 in the month of April. I never feed any kind of "Lay-more" food.

"In April, from the 1st to the 16th my hens laid 259 eggs, and from the 17th until the 30th, 261. From March 1 to 16, they laid 207, and from March 17 to 31, 287 eggs.

"Come on with your egg records, and get all one kind of pure bred Rocks and you will have beauty as well as layers, Mr. Miller."

How **MICHELIN** has overcome the commonest causes of tire trouble

NUMBER 5

Stone Bruises

When a tire is driven against a curb or over any serious obstruction, the layers of cords in the body of the tire are forced inward, subjecting them to a severe strain that tends to separate and break the cords.

The extra thickness of the Michelin tread protects Michelin Cords against such shocks, and the extra rubber between the layers of cords still further cushions and protects the tire against injury.

Try a Michelin Cord. You'll find it lasts longer.

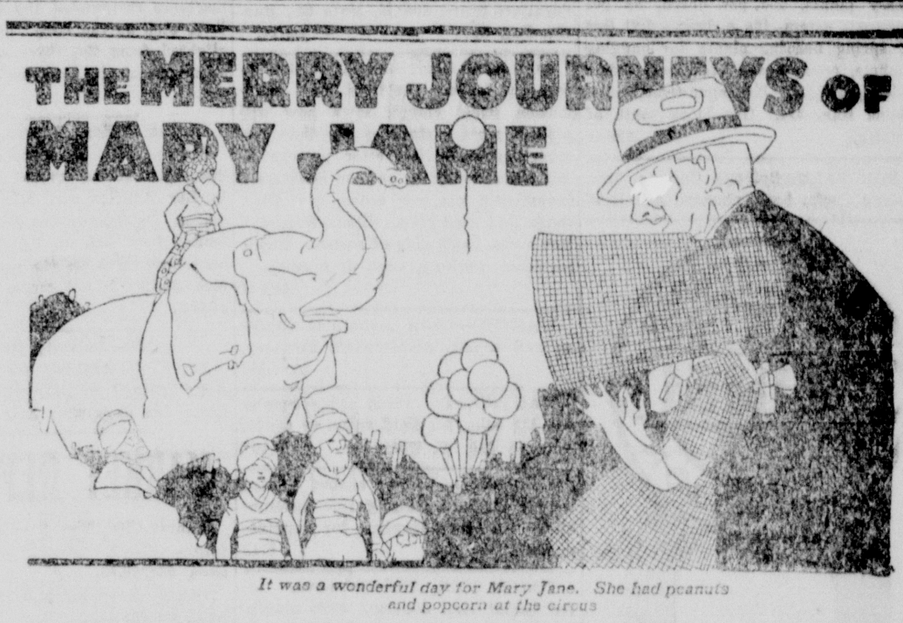
THE MERRY JOURNEYS OF MARY JANE



It was a wonderful day for Mary Jane. She had peanuts and popcorn at the circus

Mary Jane and Uncle Jim at the Circus

ONE day Uncle Jim took Mary Jane to the circus. They saw the elephant and the rhi-no-ce-rus, and the seals that played ball with their head, and then ate a fish.

Uncle Jim bought two bags of peanuts and some pop corn, and they had lots of fun seeing the clowns and the beautiful lady riding on the fat horse.

After all the Indians that attacked the stage coach had been killed, Uncle Jim and Mary Jane went home to supper.

They had lots of crisp, brown waffles with delicious Mary Jane Syrup on them, and everybody ate and ate—until they couldn't hold another one.

Then Uncle Jim and Mary's Papa Joe lit their pipes. And they told about how they used to play circus when they were boys, and lassoo the calf, and kill Indians, and everything, until it was time for Mary Jane to go to bed.

It was a won-der-ful day. But the best of all was the supper, with the brown waffles and that lovely Mary Jane Syrup. This was what Mary Jane thought before she fell asleep and dreamed she was a beautiful lady on a fat, white horse, and stood up on one foot and kissed her hand to everybody.

HAITIANS ASK FOR U. S. WITHDRAWAL

(Continued from page 1)

to convince the court of inquiry of the way in which the forces of occupation had carried out their duty in Haiti."

"Furthermore, it is charged that more than 4,000 prisoners died in 1918, 1919 and 1920 in the prisons at Camp Haitian, and that at Chabert, an American camp, 5,475 prisoners died during these three years."

"The ghastly mortality in the prisons," continues the memorial, "together with confirmation by survivors, reveals a record of atrocities, of brutality and cruelty which defies description. It is a record for which it found to be difficult to find a parallel."

The memorial concludes by stating that during the five years of American occupation, Haiti has passed through such series of tortures, destruction, humiliation and misery as have never before been known in the course of its unhappy history. For these "wrongs and injuries," the Haitian people ask reparation, says the memorial and they also request:

Immediate abolition of martial law and courts martial.

Immediate re-organization of the Haitian police and military forces, and withdrawal within a short period of the American military forces.

Abrogation of the conviction of 1915, under which American military occupation began.

WILCOX WAS FOUND NOT GUILTY BY JURY IN COURT

Trial Held This Afternoon in Johnson's Court on Charge of Reckless Driving.

The jury in the case of Vic Wilcox, on a charge of reckless driving which was tried in Justice W. L. Johnson's court this afternoon returned a verdict of not guilty. The jury composed of Fred Rogers, James Pixler, Frank Trusty, George Murphy, Yates Cox and N. F. Hopper, heard the case.

Earl Eisenman, 17 years old, testified that Wilcox crowded the horse he was riding and the two horses he was leading into a ditch on the road east of the 102 river. He said the truck hit the hind leg of one of the horses, injuring it slightly. Eisenman was driving the horses from Conception Junction to Maryville for Jim Andy Ford. Fred Newlon and Ellis G. Cook also testified for the prosecution as to meeting Eisenman on the road with the horses and as to him telling them about the accident.

The defense claimed that Eisenman had enough room to pass the truck with the horses and that the truck never struck one of the horses.

HIGH SCHOOL WILL SEND TEAM TO ALBANY MEET

Last Appearance of Davenport and Smith in 440-Yard Dash Should Be Feature

Albany will be the next field wrere Maryville High School's track team will try to add fresh honors to the already swollen total of the green and black. Supt. L. E. Ziegler announced this morning that he had accepted the invitation to send representatives to the meet to be held there next Friday under the auspices of the American Legion.

The men who will make the trip have not yet been picked. They will not be chosen until after the workouts this week.

In the home meet, the wearers of the green and black finished first in six events, second in four others, third in three, forth in three, tied for second in one and tied for fourth in another for a total of 53¾ points. The relay team equaled the record over the half-mile distance, and a Maryville runner set a new mark in the 440-yard dash.

Both half-mile and mile relays will be run in the Albany meet, and the High School team will enter both of these. The former will be run at the beginning of the meet and the latter at the last event. Midway in the meet will be the 440-yadr dash.

Supporters of the High School team feel little fear that they will be distanced in either relay. Chief interest lies in how high a mark they will set for future athletes to strive for. The best time made by the half-mile team on the dirt track at the college is 1 minute 37 seconds, which is 2 4-5 seconds under the time they made on Saturday's muddy track. Over the mile course, the team has been clocked one in 3 minutes 37 seconds, 6 seconds under the new record smashing performance was 54 1-5 seconds, 4-5 second under the former record fo rthe dash in the meet here and 3-5 second faster than Davenport's new mark.

The Albany meet would be worth attending if for no other reason than to see the race in the 440-yard dash between Captain George Smith and "Dixie" Davenport, his teammate. Smith finished a few feet in the lead in all early meets, but Davenport's time in his heat Saturday gave him first place, with Smith second. The latter, however, was not hard pushed and could probably have made better time. The last race of these two premier quarter-milers of Northwest Missouri should be an event worth going far to see next Friday.

CLARINDA BIBLE CLASS 89 POINTS AHEAD IN CONTEST

The Men's Bible Class of the First Christian church at Clarinda, Ia., is eighty-nine points ahead of the Bible class of the Maryville First Christian church, in the contest which is being waged between them. DEMOCRAT-FORUM ISSUES TWO TRACK MEET EXTRAS

Edition Containing Final Result in All Events Will Go To Each Contestant.

The Democrat-Forum was published in three editions Saturday. The regular early mail and city edition was printed at the usual time, in which the latest results of the track meet at the time of going to press were published. The second edition was printed shortly after the last event of the meet as a track meet extra. It included a complete summary of the track meet, with the winners of cups in each class and the unofficial ranking of schools by points scored. These papers were distributed free on the streets and at the college auditorium, where the final literary events were being held.

A third and final edition included all the results of the meet, including the winners in the literary events. Copies of these papers, which included the special section devoted to the State Teachers College, will be sent to all the contestants in the track meets after they have reached their homes. The Democrat-Forum is cooperating with the State Teachers College in this task.
